BATTLE B-DAMAN

The brand new series of B-Daman is coming to Toonami this October, so here's your chance to find out more on the show, and win some of the hottest prizes this side of the B-Daworld...

B-Daman is set in a world where the old west and mysticism collide. Yamato has been chosen to receive the legendary Cobalt Blade, a powerful B-Daman, which he uses to compete in B-Daman tournaments.

Yamato and his friends battle the evil forces of the Shadow Alliance. Led by the evil wizard Enjyu, they will stop at nothing to destroy Cobalt Blade and take over the B-Daworld...

YAMATO

Raised by cats, Yamato has fast reflexes, a crazy hair-do and commands the awesome B-Daman Cobalt Blade.

TERRY

Yamato's fellow pupil under Armada and friend. He uses the B-Daman Wing Ninja.

PLAY DA GAME...

There are several different ways of playing B-Daman, but all are centred on your ability to fire the B-Daball accurately to better your opponent.

The official **B-Dabattlefield** is where all the action takes place and this'll test your skills to the max. With your challenger at the opposite end to you, the idea is to win each event in a 'best of three' tournament. There are 10 different events to master, including Hard target, Ultimate Strike, Battle Hammer and more, with each event using different **B-Daman** accessories.

TOP TIPS Be sure to customise your armour for every event. Having the right armour components is the difference between winning and losing.

FAST FACTS In Japan, the B-Daman is called B-Densetsu!

To learn more about B-Daman, check out **www.battlebdaman.co.uk**

Eddy's JAWBREAKER HUSTLE

ROLL UP, ROLL UP!

I, the great EDDY, challenge YOU to hide a jawbreaker under one of Double D's four hats and I will find it before you can say 'gravy'.

To choose a hat, think of a number between 1 and 10. Double the number and then add six. Now divide your answer by two and take away the number you first thought of to give you a final number.This is where you can hide your jawbreaker (cos Edd's hats are numbered, right?)
